

Please can you tell us of a specific instance where you used the training to good effect?

"The training was to support my module on clinical examination skills"
27/03/2018

"Following my session with Laura I was able to confidently put the training into practice" 27/03/2018

"Currently undertaking research" 05/02/2018

"I have written a literature review as a result" 01/02/2018

"Used the search to write a literature review" 17/10/2017

"When doing a literature search for my degree module" 10/05/2017

"As part of my MSc required to perform a literature review for a research proposal" 08/05/2017

"I was looking information which is not the main subject of research projects and after training I found relevant information" 11/04/2017

What did we do well?

"Very supportive staff" 27/03/2018

"Structured, well planned and considered training in a one to one environment without judgement" 27/03/2018

"The 1:1 training was bespoke to my needs, was informal which facilitated my ability to ask questions to clarify my understanding and underpin learning" 05/02/2018

"One on one tuition which allowed the session to be tailored"
01/02/2018

"One to one training was helpful" 28/11/2017

“Very informative and easy to understand” 10/05/2017

“Quick appointment and excellent knowledge” 08/05/2017

“Very clear. Good pace” 04/04/2017

How can we do better?

“Please offer more academic training” 27/03/2018

“Nothing” 01/02/2018

“I do not believe it could have been done better” 10/07/2017

“Not sure” 11/04/2017
