Using The Library

You can register for the Library using our online registration form. Once registered you will be given a password that will allow you to access your account, reserve or renew your loan items.

You can borrow up to 10 items for 4 weeks. Fines on overdue items are 20p per item per day.

Literature Searches

To request a literature search just complete the online form on our website and provide us with as much information as you can, specifying any limits where appropriate. The results of the search can be posted or emailed to you, or you can collect them from the library.

Training

The library website home page has a link to our course calendar showing all of the forthcoming training sessions we are running. You can also book a tailored one-to-one training session with one of our librarians.

Document Supply / Inter Library Loans

Requests can be made via our website. There is a charge for this service.

Current awareness

The Library home page includes a number of links to RSS news feeds, one of which is 'Emergency care.'

You can also click on the 'How to keep up to date' link to find information covering a whole range of ways you can keep up to date in your field.
