Library Guide 2018

Literature Search Service

Save time, find the latest evidence and improve your research and patient care by making use of our free professional literature search service.

Submit your question by clicking on the "Literature Search Request" form link on our website. We aim to carry out a standard search request within 48 working hours.

If your search purpose is for a systematic review, please contact us to discuss your requirements.

Training

Our training is available to both clinical and non-clinical staff. Click on the "Training" link on our website to find out more.

Training sessions we run include:

- Literature Searching Skills
- Critical Appraisal
- Writing for Publication
- Academic Writing

We also provide one-to-one literature searching skills sessions that are tailored to your specific needs. We are also happy to deliver tailored training sessions to groups of staff or specific teams. Please contact the library if you are interested in this.

One-to-one training sessions can be booked online via the Library website or via the Learning Hub or just contact us by phone or email. To book online via the website just click on the "Book a Training Session" link on the home page.

Request a Book or Article

To make a request, click on the "Interlibrary book and article request form" link on our website and login (contact us for your username) and enter the details of the article or book you require. We will contact you when it arrives or send it directly to you. Further information and current charges can be found on our website.

Enquiry Service

Your enquiries will be answered by an experienced and skilled member of our team and will be processed within one working day. You can make an enquiry in person, by phone, email or online. Please call us if your enquiry is urgent.

Please note, we also have a FAQs link on our website which may answer your question.

Outreach

Contact us to arrange an outreach visit to your place of work to find out how to fully benefit from what we can offer to you. Visits can be made to individual managers/team leaders anytime or to groups of staff at changeover or at team meetings. We will also provide you with an information pack consisting of various promotional materials for display in your area.

Inductions

A tour of the Library and overview of the services

and facilities we provide is available to everyone. You can register to join and create an [OpenAthens](#) account as part of the induction. You don't need to book, just drop in.

If you would like a Library induction for a group, please contact us.

If you have any new staff joining your team, why not send them along to us as part of their local induction.

Keeping up to Date

Keep up to date with developments in your speciality by using a combination of resources tailored to your needs.

Services range from sending you regular emails containing the tables of contents from journals of your choice, to automatic emails alerting you to the very latest research articles based on your own search criteria.

To find out more about the above and the many other current awareness services available to you, go to our website and click on the link: "[How to keep up to date.](#)"

News and Developments

We inform you of any changes, developments or new resources via MFT and [UoM](#) communication channels, our newsletter, by email and on our website home page.

You can also subscribe to our Library newsletter blog; 'Academy Library News' which is available from our website.

You can also follow us on Twitter [@academylibrary](#)

Your Comments and Suggestions

Help us improve our service to you by giving us your feedback. You can email, telephone or speak to a member of the Library team. You can also post your suggestions into our Suggestions Box at the Library or use the online comments form on our intranet page.

Feedback, impact and comments about the literature search service and training we have provided can be viewed on our website link: "[How well are we doing.](#)" Results of Library surveys and resultant actions taken can be viewed in the "About us" section of our website.

Welcome

We are a multidisciplinary resource serving all the staff and students at MFT.

Who Can Join?

- MFT staff
- Students on placement at MFT
- MFT social services and community staff
- University of Manchester (UoM) staff based at an MFT site
- All NHS staff working at any other NHS organisation in the North West.

How to Join

To join the library, please visit us during staffed hours to fill in a short registration form.

Your Library Account

After joining, we will email you with information about the library and how you can then login on our catalogue page to renew your loans, place reservations, and more.

Borrowing & Renewing

You may borrow up to 10 items for 4 weeks. Renew items by phone, email, the MyCirga app, logging into your Library account or from the self service facility. Fines are incurred on overdue items.

The Library App

Access the library catalogue and your own library account on the move.

Download the MyCirga app from your app store, enter your library name as MFT and your library username. Contact us for a PIN number for your account.

Library Website

You can access all resources and services and much more from our website:

www.academylibrary.org.uk

Unfold this guide to find out more.

You can also access our Intranet page from the "Trust Library Services" link on the MFT intranet home page.

Books & Journals Collections available:

- Medical, Allied Health, Nursing & Midwifery
- Management and Leadership
- Health and Wellbeing

You can search the collections via the catalogue on our website or via the Library app. If you want something we don't have, we can order it for you from another library.

Self Service

You can borrow and return items 24/7 using the self service facility. If you wish to use this service, please ask us to register your trust ID-badge.

Computers * iPads * WiFi

The Computer Room has a total of 44 trust and UoM computers. The room is accessible 24/7. iPads can be borrowed for 4 week period. Trust and UoM WiFi is available throughout the Library.

Study Space

There are two designated quiet study rooms, a general study area plus an additional area for group study. There is also a spacious comfort area with mobile device charging facilities.

Printing * Photocopying * Scanning

Printing from a trust computer is only available during opening hours. Printing should be emailed academylibrary@manchester.ac.uk. The UoM printer is located in the Computer Room. UoM printouts are charged to print credits.

To use the B&W / colour photocopier, either enter your departmental code if you have one or please speak to a member of the library staff if you wish to pay by cash.

Self service scanning is available free of charge.

OpenAthens

OpenAthens is an authentication system which gives you online access to a wide range of resources such as:

- Health and management databases
- 1000s of e-books
- 1000s of e-journals
- Specialist point of care resources such as BMJ Best Practice and ClinicalKey.

If you are employed by MFT or on placement here, you are entitled to a MFT OpenAthens account.

You can self-register online at:
<https://openathens.nice.org.uk/>

After registration, you will receive an activation email. Be aware that if you register from outside the hospital or on a mobile device, you may face a delay before your account is active.

We can help with any OpenAthens related queries; from activation issues to effectively accessing the range of resources available to you.

Our Performance

Welcome to Trust Library Services - Wythenshawe Hospital

BMJ Best Practice

BMJ Best Practice is a clinical decision support tool, uniquely structured around the patient consultation, with advice on symptom evaluation, tests to order and treatment approach. It is ranked one of the best clinical decision support tools for health professionals worldwide.

To find out how to set up access and get the app [click here](#).

ClinicalKey is an advanced search engine that provides fast and deep access to the most current, evidence-based material to support your clinical decision making and professional development.

To access ClinicalKey, click on the icon above. An OpenAthens login is required.

For more information about ClinicalKey features [click here](#). To find out how to download the ClinicalKey app [click here](#).

OXFORD MEDICINE ONLINE

Oxford Medicine Online brings together authoritative titles including the Oxford Textbook of Medicine, Oxford Handbooks, Specialist Handbooks and works from the Mayo Clinic Scientific Press.

All titles require an OpenAthens account to gain access. To access the collection, [click here](#).

BMJ Case Reports

BMJ Case Reports contains the largest single collection of focused, peer-reviewed cases in all disciplines enabling healthcare professionals, researchers and others to easily find clinically important information on common and rare conditions. It contains more than 15,000 articles from over 70 countries.

To find out how to use BMJ Case Reports and learn how to submit your first case, [click here](#).

MAH Complete is a collection of 25 quality peer-reviewed nursing & midwifery e-journals. All titles can be accessed via our catalogue or you can either click on the icon above to search across 25 titles and over 45,000 articles. An OpenAthens login is required.

For more information and to see the complete list of titles available, [click here](#).
