What is the Literature Search Service?

- We will carry out a comprehensive search of the literature using a range of relevant databases to answer your research question.
- We will endeavour to deliver your search results to you within 48 working hours of receiving your request.
- Results will include full-text links where available.
- The service is available to all clinical and non-clinical UHSM staff, academic staff based at UHSM and to all MMHSCT staff.

What users of the service have said:

- *“Very approachable, helpful and efficient.”*
- *“Excellent literature review with information on full text articles and places to obtain.”*
- *“Excellent range of research from a wide range of resources.”*
- *“Performed very efficiently and comprehensively.”*
- *“Timely comprehensive literature search.”*
- *“Helped me to access relevant information more efficiently. Thank you.”*

“Educated nursing staff to select equipment preventing wrong consumables being opened and contaminated.”

“It enabled us to update the references for the guideline we were reviewing.”

How much does it cost?

This service is free of charge.

How do I request a search?

Visit www.academylibrary.org.uk and click: **Literature search request** then fill in the request form with as much information as possible.

What if I want to learn how to do a search for myself?

We can show you how!

Visit our website and click on the ‘**Training Calendar**’ link to find out what group sessions are coming up.

If you would like to book in for a tailored one-to-one session, click on the ‘**Book a Training Session**’ link.

Please contact us if you require any further
